# **DETAILED ACTION**

# Election/Restrictions

Claims 204-206 stand withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim.

Election was made without traverse in the reply filed on February 2, 2004.

# Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 168, 188, 189, and 191 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 168 – it is unclear as to what "heart tissue at location" is attempting to claim. Claims 188, 189, and 191–"the distribution" lacks antecedent basis in claim 186. The term first appears in claim 187.

# Allowable Subject Matter

Claims 145-167, 169-187, 190, and 192-203 are allowed.

Claims 168, 188, 189, and 191 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

# Claim Objections

Claim 150 is objected to because of the following informalities: in (b) "on" should be --of--. Appropriate correction is required.
